DEATH OF FATHER DE SOUZA.

There died at Malacca, on January 28, at the good old age of 85 years, the Rev Maximilian de Sousa. By his death familiar figure is removed from that-ancient city where he laboured for over 40 years. The deceased gentleman was ordained priest at Penang 45 years ago, after which he came on to Singapore where he remained. till the year 1876 when he was transferred to Malacca. Father de Souza was the last link of the old de Souza family; he survived his brothers, of whom there were seven and an only sister. He has a crowd of nephews and nieces in Singapore to mourn his loss; two of the former are in the medical profession and four in the Government service.

MACAO NOTES

(From Our Cum Correspondent.)

Macao, February 12. John Chinaman wags his head with an ominous grunt when a soft sunny sky tempered by vernal breezes attends the New Year. Rain and plenty of it should be Fortune's hallmark on an anspicious day: hence the portent for the next twelvemonth is unwelcome. Towards dusk on the Eve streams of holiday-makers drifted in and out of the Rus do Jogo and branch streets while the rattling of dice began echoing along the interminable line of hazard tables. H. E. The Governor, in company with Lieut. Ruella A.D.C., made a round of the place and relieved himself of some smart tips to underlings at the fantan saloons and elsewhere. At midnight a general deluge of earsplitting crackle burstforthin every direction as the population either repaired to the temples or limited their propitistory rites 2 to their own door-stones. The celebrant was the Rev. Fr. Julio da Roza. A good congregation mustered answ at 10 a.m. when the Vicar General, Rev. THE CHINCHOU-AIGUN RAILWAY.

A somewhat longer telegram than that blished in Hongkong was sent to the N.O. Davly News regarding Great Britain's attisude with reference to the Chinchou-

Aigun railway. It ran: The St. Petersburg correspondent of The Times sends a telegram affirming that Great Britain has called the attention of

the Chinese Government to the necessity of consulting Russia and Japan before concluding arrangements for the construction of the Chinchou-Algun line. This policy will be disserves to the interests both of Ching and of this country. It is noticeable that, with two or three exceptions, practically the whole of the

British Press, irrespective of political predisctions, favours the mustrustics of the proposed line. The Dally New blantly declares that Japan's obvious intention is the destruction of China's sovereignty in Manchuris. This, the Liberal paper adds, will be the seed of much trouble in the Fat East, and it gravely questions whether such policy is wise. There can no longer be any protence that Japan want to war with Russia to proserve China s integrity. The Glasgow Herald complains that Japan

is blocking colonization by China. The whole matter will be brought before the House of Commons at the earliest In the meantime examperation at Japan's

methods continues to grow in the United States, where it is regarded as evident that Jepan intends to flout the open door "principle, while pretending to be in favour of its maintenance Coming so soon after the rejection of Mr signed to the Changel for the night while Ruox's proposal to sentralize the Manchurian Railways, the stoppego of the Chinchdir Aigun echema would compai Pro-

kicked on the football field. It was a very had would about three inches in length. I did not take much notice of it at first but about a week after it started gotting very painful and swellen. I went to the doctors but after they had tried one thing and the other. I gos-tired of attenting them, so I thought I would try to cure it myself. That was after about two months of their treat-ment. Well, I tried different oint-ments but all to me use. At last a friend of mine advised me to by the Cutiours Remedies, st. I purchased & Cutious Ofteners from obemist and in about five days the leg-showed signs of improvement. The swelling went down and all the matter swelling went down and all the matter and stuff came out quite fast. I mention that my leg (it was across the shin. After that it healed up quite fast and is quite well at the present time. I had two boxes of the Cuticura Cintment and I still use the Cuticura Soap which I find to the best I can get, as it makes one still use the Cutiours Soap which I had a the best I can get, as it makes one feel so fresh after a hard game of football and I will recommend it to all my friends.
